Corporate Overview

Knap & Vogt Manufacturing Company is a privately held corporation and headquartered in Grand Rapids, Michigan. "KV" operates manufacturing/warehousing facilities in Grand Rapids, Michigan, Chiayi, Taiwan and Petaluma, California. We are a global leader specializing in the design, manufacture and distribution of functional hardware; office ergonomics products; and storage-related components for original equipment manufacturers, specialty distributors, hardware chains and major home centers.

Mission

Knap & Vogt's mission is to build sustainable value by being the supplier of choice through innovative products and services as the leading provider and marketer of sliding systems, home and office storage and organization products and ergonomic office solutions to high volume customers.

Products and Brands

We design and manufacture precision, Euro-style and utility drawer slides; wall-attached shelving for commercial, home and garage applications; kitchen, closet and bath storage; office ergonomics products and specialty hardware. We offer these products under several well-known brand names: KV®, HyLoft®, Closet Culture™, Real Solutions for Real Life®, John Sterling® and Shelf-Made®. KV Powered By Samet, an expanded product offering of Hinge Systems, Lifting Systems, Drawer Box Systems and Fittings, all exclusively available from KV in North America.

Markets Served

Through strategic acquisitions, KV continually strengthens its market position while expanding its footprint across new and emerging product categories.
